The words of "Lijepa Naša Domovina" were written by Antun Mihanović in 1835 . The original title was "Hrvatska Domovina" (Croatian Homeland). It was set to music by Josip Runjanin in 1846. The above version became the National Anthem in 1891.

CROATIA

LAND, PEOPLE AND CULTURE

Croatia is situated between the Adriatic Sea on the West and South, Slovenia and Hungary on the North and Serbia on the East. Because of its geographical position Croatia is the boundary between the East and the West.

The Croats came to their present homeland thirteen centuries ago and formed the Croatian State. In 925 A.D. Croatia became a kingdom ruled by sovereigns of Croatian blood.

After the death of the last King of Croatian blood the Croatian noblemen chose rulers from various other Royal families still maintaining their Parliament (Sabor) which was formed in the 7th century, thus making it one of the oldest parliaments in the world.

During the early years in their new home Croats accepted Christianity. Today they are predominately Christians with some sections belonging to the Islamic Faith (Bosnia, Herzegovina and Sandzak). This was brought about by the Turkish occupation of these provinces.

Croats have defended for centuries their beliefs, losing many lives in wars against various invaders.

In ancient times the Turks with their onslaught on Europe conquered many countries including Hungary, reaching the walls of Vienna, but they never succeeded in the conquest of Croatia.

Settling in their present homeland, the Croats began to develop a new Croatian culture in a Western Christian spirit.

In the year 1483 the first Croatian language book was printed in Croatia - in the second printing house in Europe, at KOSINJ, LIKA.

Science and Literature were especially developed in Dubrovnik, on the Adriatic coast.

It is necessary to mention a few important Croatian personalities such as the great poet Ivan Gundulić (1588-1638), philosopher Juraj Dubrovčanin (1579-1622), and the first atomic scientist Rudjer Josip Bosković (1711-1787). Bosković was a scientist of world renown and a member of many foreign scientific academies. He excelled as mathematician, physicist, astronomer, philosopher and author. The first pharmacy established in Europe was in Dubrovnik in the year 1346.

Many Croatian artists, i.e. sculptors, painters, architects and composers lived and worked in Italy during the time of the renaissance. Among these in the 15th century, in particular, Lucian Vranjanin became famous as an architect, Juraj Dalmatinac as an architect and sculptor, Mihovil Hamsić as a painter as did many others. In our own time Croatia has produced many notable sculptors and painters. Among the sculptors in particular, Ivan Meštrović has won world acclaim. His works adorn many North American cities.

Croats are extremely active in the field of music. The first celebrated Croatian composers were Vatroslav Lisinski (1819-1851) and Ivan Zajc (1831-1914). Lisinski composed the first Croatian Opera. In recent times Croatian composers - Jakov Gotovac. Ivo Tijardović and Boris Papandopuls - have become world known.

The Zagreb Quarter is internationally famous. Violin Virtuosi Miroslav Slik and Zlatko Baloković, singers Milka Trnina, Marya Ružica-Strozzi, Zinka Kunz, Dragica Martinis and Srebrenka Jurinac performed in the world's first Opera and also at La Scala, Milan and the Metropolitan Opera, New York

From Croatia, also, have come many eminent scholars. Nikola Tesla, inventor electrical alternating current. Dr. Leopold Ružička, recipient of the Nobel Award is of Croatian nationality. There are Croatian university professors in various Western Universities as in the United States of America and Canada.

Croat Anthony Francis Lucić (Lucas), discoverer of a new method of deep drilling in Texas, became the father of the world's Oil Industry. Croat Miho Mihanović is the founder of the Argentinian Navy. Croats Paško Babujić and Franjo Petrinović have become renowned in industry for their shipping empire in Chile. The largest shipping owner in Italy, Kozulić is Croat.

Croatia is a beautiful and rich land, the natural wealth is in the main represented by the lush forests, grain, live stock, fishing and mineral resources and hydro electric power essential for the development of industry. Industry and commerce are extremely well developed in Croatia.

A particular source of income is derived from the Tourist trade in South Croatia, also known as Delmacia, Istria, Bosnia and Hercegovina attract tourists from all over the world. The coast of the Adriatic Sea abounds in natural beauty, architecture, monuments with an ancient turbulent history and cultural background. Bosnia and Hercegovina have a unique and individual appear as in these Croatian Provinces West meets East

Peti Hrvatski Nogometni Turnir održava se ove godine 2,3, i 4 Studenog u glavnom gradu Zapadne Australije Perth-u. Turnir je zvanično registriran i odobren od Nogometnog Saveza Z. Australije. U ovo godišnjem turniru uzelo je učesće 14 hrvatskih nogometnih klubova. Nogometni turnir je najveća hrvatska manifestacija, koja evo već peti puta pokazuje solidarnost, suradnju, razumijevanje i ljubav Hrvata diljem ovog velikog australskog kontinenta. Perth je ovih dana simbol hrvatske narodnosti u kojeg su se slili Hrvati iz svih krajeva Australije i svih krajeva "LJEPE NAŠE". Sklad boja prekrasnih hrvatskih narodnih nošnja, još jednom živo opisuje ljepotu hrvatskog narodnog veza u kojem je upisana istinita povijest hrvatskog naroda. Mi smo ponosni da smo dobili čast da budemo domaćini ovog turnira, gdje ćemo još jednom imati priliku sresti stare znance i upoznati nove prijatelje.

KRATKI PRILOG ZA 150-TU PROSLAVU GODIŠNJICE
ZAPADNE AUSTRALIJE

Zapadna Australija će cijelu 1979 godinu slaviti 150-tu godišnjicu svoga osnivanja 1.6.1829, kao slobodna engleska nastambina blizu Perth-a na rijeci Swan.

Na taj dan brod *Parmelia* stigao je iz Engleske sa prvim doseljenicima. Oznaka WAY '79 znači (Western Australian Year 1979) Zapadna Australija 1979.

Simbol sa tri boje predstavlja crnog labuda po kojem je rijeka Swan dobila ime. Crvena boja predstavlja zalaz sunca, a zlatna boja predstavlja pješčane plaže, što su u stvari vrlo poznate karakteristike Perth-a.

Ova godišnjica uključuje povijesne događaje, festivale, koncerte, izložbe, razne priredbe, konferencije, športske karnivale i posijetu princa Charles-a.

Glavna atrakcija će biti Miss. Universe u Perth Entertainment Center (8000 sjedala) u Srpnju mjesecu. Više od 80 zemalja poslale su svoje predstavnice za ovo takmičenje.

Drugi veći događaj između ostalih biti će (*Parmelia* Yacht Race) od luke Plymouth u Engleskoj, koja će pratiti originalni put broda *Parmelia* oko rta Dobre Nade (u Južnoj Africi) i završiti trku pred kraj Studenog u luci Fremantle W.A.

Prigodom 5. Hrvatskog
Nogometnog Turnira održanog
u Perth-u Western Australija
2, 3, 4, Studenog 1979 god.

Evo pred nama je još jedna velika Hrvatska manifestacija koju će Hrvati izvesti kroz Šport i Nogomet na zelenom polju. Na ovome velikom Kontinentu nije nas mogla ni daljina razdvojiti. Evo nas opet i na 5-tom Hrvatskom Nogometnom Turniru u Perth-u Western Australija. Baš na samo slavlje 150. Godišnjice Western Australije.

Ovaj naš 5-ti Hrvatski Nogometni Turnir u Perth-u će odigrati vrlo važnu ulogu za nas Hrvate u ovoj zemlji. Te posebno za braću Hrvate u Perth-u gdje CROACIJA sama i predstavlja Hrvatsku naciju na zelenom polju.

Poznato nam je vrlo dobro pod kakovim uslovima i poteškoćama radi i djeluje CROACIJA u Perth-u. Gdje ima ni više ni manje nego devet Jugoslavenskih klubova. Te na poziv Croacije iz Perth-a riješeno je da se ove Godine i Turnir održaje u Perth-u.

Domaćinu TURNIRA CROACIJI North Perth svima Hrvatskim Nogometnim Klubovima prisutnima na 5-tom Hrvatskom Turniru, Klubovima koji nisu mogli učestvovati, Svima Hrvatima i Hrvaticama čestitam ovo veliko Hrvatsko slavlje u Perth-u Western Australiji.

SVE ZA CROACIJU A CROACIJU NIPOŠTO.

PORUKA PREDSJEDNIKA KLUBA,

Otkako je "Hrvatski nogometni savez Australije" donio odluku, da se "Peti hrvatski nogometni turnir" održi u Perth-u, uloženo je mnogo truda, vremena i novca, da bi ovaj turnir što bolje uspio. Od ovog tereta nije izuzet nijedan hrvatski nogometni klub, koji sudjeluje u turniru, ali posebno pak domaći klub. U ovom slučaju možemo ići malo dalje i naglasiti, da je u Zapadnoj Australiji to još teže organizirati ovakvu stvar iz razloga, što baš ovdje ima malo Hrvata, koji se ne stide zvati svojim imenom, a još manje onih, kojima je ovaj turnir nešto uzvišenije, nego samo sportski slet.

Pored svih negativnih elemenata, postoji izvjestan broj svjesnih osoba, koje žrtvuju sve u svojim mogućnostima za postizanje uspjeha, da bi se dostojno odužile bratskim klubovima, koji nisu prezali pred tolikom udaljenošću i troškovima, samo da bi ova mala hrvatska zajednica u Zap. Australiji osjetila veličanstveni odjek hrvatske solidarnosti, kojom se u zadnjih nekoliko godina mogu posebno dičiti hrvatske sportske ustanove, pronoseći slavu nama toliko dragog imena-CROATIA ne samo na nogometnim zelenim poljima, nego i po košarkaškim i odbojkaškim dvoranama, boksačkim i karataškim ringovima i drugim sportskim arenama te kad se sve ovo analizira, čovjek jednostavno može u zadovoljstvu uskliknuti skupa sa našim velikim pjesnikom: "Dok je srca, bit će i Croatia !"

A MESSAGE FROM THE PRESIDENT OF SOCCER FEDERATION OF WESTERN AUSTRALIA

It gives me very great pleasure to welcome you all to Perth, from the various parts of Australia, during this, our Sesqui-Centenary Year.

I feel I must thank you for deciding to have this competition incorporated as part of our 150 Year Celebrations. The Croatian communities from all States are to be congratulated on their initiative in organising and participating in a competition of such stature.

It can truly be said that this is the only NATIONAL senior soccer football competition in Australia at the present time. Carnivals such as this, where sportsmanship prevails, can only spread goodwill, and encourage people to meet and talk, and such communication will strengthen our ties and our game throughout the country.

I hope that you will have a successful and enjoyable competition, and that our hospitality and weather will make you feel that you must come back again, soon.

With best wishes,

MICK LEE

A message from the public relation officer,
FIFTH Croatian National Soccer Tournament
Mr. DRAGO DREB-KARE

WE SALUTE YOU,

.....AND WE WISH TO PAY A SINCERE TRIBUTE TO THE CONTRIBUTION,
IN WHATEVER FORM, THAT YOU HAVE MADE TO CROATIAN CLUBS

Playing soccer for spectators of different ethnic groups, and being unable to understand a single word of their language is indeed quite a performance-sometimes it may seem tragic, but in fact it is usually comical. You hear somebody mispronouncing your name "horibly" in a broken foreign tongue, he tries to talk to you, to encourage you, sometimes to abuse you, but the language barrier is often insurmountable.

My friend, do not despair, because this is all part of the game in being a player for a Croatian team.

We Croatians, like football, and of course, we are football fanatics; not only here in Australia, but all the world over. We like to see our club win every (b.....) match with a big margin, preferably we do not like lose a game, and all of us are "expert" at outlining the reasons for the defeat. Everyone of us likes to think he is a professor of soccer tactics and would be delighted to give free consultation before each match.

However, defeats are quickly forgotten in looking forward to a win next Saturday.

You will have realised that we like and respect you all no less and no more than any Croatian born player. When we see you on the playing field in our colours with the Croatian national emblem we take you for part of us and so we call you names and we give you encouragement in Croatian.

You probably have noticed that our english is slowly and always improving-perhaps your Croatian might do likewise.

To sum up, the message is simply to tell you of our warm feelings and respect for yourself and your families; we are a friendly and sportsminded people-we try to quickly forget defeats and cherish the memory of wins for a long time.

We want you to know that you are always welcome among us and join us singing together:.....Živjela, živjela, živjela CROATIAAAAAA.....

PORUKA PROČELNIKA ZA TISAK I PROMIČBU
PETOG SLETA HRVATSKIH NOGOMETNIH KLUBOVA:

SPORT U SLUŽBI DOMOVINE.....

Veliki madjarski pisac, ZIHALA Lajoš, u svojem velikom djelu "KAD DUŠA ZAMIRE", u kojem opisuj samoga sebe kao doseljenika u Americu kaže: (...) "izseljenik, bilo onaj koji je sam, po svojoj volji napustio rođenu grudu, ili oni, koji su se morali izseliti pod pritiskom vjerskok ili političkog terora, nose u svojoj duši sve blagodati, dobre i zle odlike i uspomene, čak mirise cvijeća, igre, plesove a najviše-sportske igre koje usadjuju kao korijen u novom kraju" Hrvati, iz samoga začetka izseljivanja po svim kontinentima, njihov korijen i misli su uvijek ostale u "starom kraju". U "novom kraju" susret za nepoznatim jezikom, morao je, a to je bio i jedini spas tražiti poslove teškog fizičkog rada, uz to držati samopouzdanje u sebe i samoživlje; Hrvat je ipak, u 99% slučajeva prebrodio sve tegobe, stvorio obitelj, našao svoje pritjatelje, te tada, po staroj navadi-tražio razonodu u sportu, igri koja mu se je usadila u dušu u njegovom rodnom kraju. U sportu našao je prijatelje, tako, odlazak na subotnju utakmicu bodriti svoje i tuđe dečke, bio je izlet cijele obitelji, gdje su se čeličila prijateljstva u bodrenju momčadi koja je na svojim prsima ponosno nosila kockaski grb, pojam njihovog narodnog Ponosa.

Nije zato čudo da smo mi Hrvati od svih ethiničkih skupina najviše uspjeli osnovati lanac odličnih nogometnih klubova od Australije, do Kanade, od, Njemačke, do Švedske, Argentina, Južna Afrika i.t.d. Torontska Croatija je bio nogometni klub svijetskog glasa; Croatije iz Sydnea i Melbourn, Adelaide, Canberre, Hobarta i Perth to su imena za koje svaki nogometaš, bilo Hrvat ili stranac zna i poštuje.

Koja narodna skupina u Australiji može svake godine organizirati nogometne sletove kao što radimo mi Hrvati? Svatko zna koliko se vremena traži za organizaciju i pripreme, gdje materijalna sredstva prelaze MILIJONE. Sa ponosom, bez grižnje savjesti na veliki rad, i novčana sredstva, mi to radimo jer nas veže Atavistički duh rodnoga kraja, misli na Hrvatski sport, na imena slavni nogometnih klubova kao na Hajduka, na Prvi Hrvatski Gradjanski Sportski klub, ili kako smo ih mi iz milja zvali "purgeri": na stare slavne klubove iz Sarajeva, Subotice, Varaždina, i.t.d. Tko se još ne sjeća na: Hrvatski Akademski Sportski klub, ili HAŠK, kako je kod Hrvata bio poznat.

Nogometaši i pravi Hrvatski nacionalisti kao što su bili: dr. Ivica Hitrec, Ivica Živković-Šimšir, iz Orašja na Savi, Marko Dubac, koji je pao na polju časti i slave kao hrvatski častnik, Vidjak i plejada ostalih znanih i neznanih. Novi klubovi koji su iznikli iz korjena starih hrvatskih klubova kao: Dinamo, Osijek, Željezničar, Sloga i.t.d. Ali to može samo Narod kao sto smo mi Hrvati. Narod bogate i šarolike, prošlosti: Narod zapadno-kršćanske uljudbe, bogat u sportskoj tradicije već oko 80 godina.

Mi Hrvati sportasi u Australiji noseći taj NIT sportskog duha, dajeći sve za sport, da uz sport dademo naš doprinos za pomoć da naša domovina dobije ono što joj povijestno pripada a to je-samostalnost i neovisnost.

U to ime pozdravljamo Upravu Hrvatskog nogometnog Saveza u Australiji, vodje klubova, igrače i navijače da svi složno, iz jednoga grla zapjevamo dragu nam sportsku pjesmu:..živjela, živjela, živjela - CROATIA.

HISTORY OF CROATIA GLENORCHY SOCCER CLUB (Prepared by Frank Hesman)

In 1957 a small group of Croatian boys decided to form a soccer club and the first training sessions were held at the Cadbury's Soccer Ground. The club was registered with the Tasmanian Soccer Association and the club entered the second division competition. The first players were : Frank Pless, captain coach, Rudi Hancl, Frank Hesman, Bill Krajcinger, Steve Majic, Johnny Glasovac, Ivan Nemet, Mijo Kožnjak and Victor Sevchenko.

After three years in the second division the club entered the first division, and the early successes were winning the Falkinder Cup twice and Association Cup in 1966. The Ampol Cup competition was won in 1963, 1969 and 1970, 1978 and Cadbury's Cup 1978, Michael Tailor Cup 1979.

The first premiership was won in 1970, which was repeated in 1974 and 1975.

Players who played with the club, such as Ismet Gurbozivić, Charlie Knappek, Steve Prša, Peter Bašić, Frank Letec, and other well known soccer players and many of them represented the State on many occasions. Coaches like A. Sarfalvy, F. Agoston, T. Škaro, J. Gold and others have coached the team and the last coach for this year Walther Worsey was also a State player a few years ago. When the Australian Croatian Association bought the premises at 336 Main Road Glenorchy, the Soccer Club Croatia, now under the name of Croatia-Glenorchy, moved also to the above premises and the headquarters of the club has been there ever since.

The new premises have been completed and will be opened on the 13th November 1979.

Many of Croatia Glenorchy Soccer Club Committee men, who worked so hard for the benefit of the Club have been made life members and the first one was J. Mikulčić, followed by Marc Hughes, Bill Krajcinger, F. Hesman, M. Furjanić, Steve Majić, Andrija Grgurević and Ivan Stefanović.

Today the Club has a first team who are professionals and play in the first division and also a reserve team who have to win a premiership yet. There is also a under 17 team and last year a under 15 team was entered and many youngsters in the Northern Suburbs are joining the Club. Now U/14 and U/13.

One of the hardest workers right through the history of the Club was and is Michael Furjanić, who joined the club as a player, has captained the second division and reserve team. He has served just about every position on the Committee, is a life member and still serves as the Secretary of the Club and one of his greatest achievements was the tour of the Canadian Metros-Croatia Club in Tasman and the Mainland.

The Launceston Croatia Soccer Club is the smallest Croatian Soccer Club in Australia. First established in 1959, the club was strong both on and off the playing field. President of the club was Mr. N. Beg, who is badly missed in the community having passed away this year. The club continued in the NTSA until 1964 before going into recess.

It was reformed again in 1970 largely due to effects of J. Kowaga and S. Djakić. The club had mixed fortunes in these early years with more than half the team travelling from Rosebery. (four hundred miles return), each weekend to play.

The first point won by the club was in 1971 under coach E. Bimjak. In 1972 our first game (the last of the season) was won at Coronation Park against Burnie under coach and brilliant goal-keeper J. Udovičić.

Our first successful season was in 1974 when under coach J. Glass, the club with 13 points rated seventh out of an eleven team competition.

The past two years has seen many great improvements in the club and its future outlooks. Last year saw the teams second, both 'A' and 'B' Grade in their respective competitions, with both coach, K. Dennis and committee (including A. Barnes) doing a great job.

This season has been accompanied with mixed fortunes on the field, with most members and the committee concentrating hard on the development of club rooms and a sporting complex for the club.
